### Love it! Love it! Love it!

By Holly  VERIFIED REVIEWER from South Florida on 11/20/2007

**Pros:** Easy to Use, Simple Instructions, Efficient, Powerful

**Best Uses:** Cleaning, Home

**Describe Yourself:** Homeowner

**Bottom Line:** Yes, I would recommend this to a friend

I absolutely love this mini vac! You wouldn't believe the powerful suction that this little wonder creates. It picks up everything with ease. The removable hand vac makes cleaning up small messes a breeze. And it's always charged ready in its charger base. So Handy!
